Expander Safety Instructions

Introduction

Thank you for choosing the Expander. This product is designed for precise neck expansion and optimal bullet seating. Please read this safety instruction guide carefully to ensure safe and effective use of the Expander. Adhering to these guidelines will help you avoid potential hazards and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the Expander in accordance with the manufacturer's instructions.
- Ensure that the product is suitable for your specific reloading needs.
- Inspect the Expander for any signs of damage or wear before each use.
- Store the Expander in a dry, safe place, out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when operating the Expander.
- Ensure that your workspace is clean and free from obstructions.
- Keep hands and other body parts clear of moving parts during operation.
- Do not exceed the recommended specifications for the Expander, including diameter and compatibility with reloading dies.
- If you are inexperienced or uncertain about using this product, seek guidance from a qualified professional.

Instructions for Installation and Usage

1. Installation

- Ensure that the Expander is compatible with your existing reloading die.
- Securely attach the Expander to your reloading press, following the manufacturer's instructions.
- Check that all fittings are tight and secure before proceeding.

2. Usage

- Before starting, ensure your workspace is organized and all tools required are at hand.
- Set the Expander to the desired diameter (5.65 mm).
- Load the appropriate casing into the reloading die.
- Operate the reloading press slowly and steadily to expand the neck of the casing.
- After use, clean the Expander to remove any residue and store it properly.

Disposal Instructions

- Dispose of the Expander according to local regulations for metal products.
- Do not dispose of the Expander in regular household waste.
- Consider recycling the product if possible.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided by the product

retailer or manufacturer. Always ensure that you have access to assistance if needed.

By following these safety instructions, you can ensure a safer experience while using the Expander. Thank you for prioritizing safety and compliance with the EU GPSR.
