Safety Instruction Guide for Expander

Introduction

Thank you for choosing the Expander, a highquality tool designed for precise neck expansion and optimal bullet seating. This guide provides essential safety instructions and usage guidelines to ensure safe and effective use of the product while complying with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read the instructions carefully before using the Expander.
- Ensure the tool is used only for its intended purpose.
- Keep the Expander out of reach of children and vulnerable individuals.
- Inspect the Expander for any signs of damage or wear before each use.
- Do not attempt to repair or modify the Expander; contact a professional if issues arise.
- Store the Expander in a dry and secure place when not in use.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while using the Expander.
- Ensure that the workspace is clean, welllit, and free of any hazards.
- Do not exceed the recommended specifications for the Expander.
- Avoid using the Expander in damp or wet conditions to prevent slipping or electrical hazards.
- Be cautious of sharp edges and points on the Expander; handle it with care.
- Use the Expander only with compatible reloading dies from Triebel Waffenwerkzeuge.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading die is securely mounted in the reloading press.
- Insert the Expander into the die according to the manufacturer's instructions.
- Check that the Expander is properly aligned and tightened before use.

2. Usage:

- Adjust the reloading press to the desired settings based on the specific requirements of your reloading process.
- Gently operate the reloading press, allowing the Expander to perform neck expansion.
- Monitor the process closely to ensure consistent results and avoid overexpansion.
- Remove the Expander from the die after use and clean it thoroughly to maintain its quality.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations.
- Do not throw the Expander in regular household waste.
- If the Expander is damaged or no longer usable, consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Expander, please refer to the EUbased

contact point provided with your product packaging or visit the manufacturer's website for more information.

Thank you for prioritizing safety while using the Expander. Your adherence to these guidelines will help ensure a safe and effective reloading experience.
