Safety Instruction Guide for Expander (inside expander)

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This product is designed for precise neck expansion and optimal bullet seating when used with original reloading dies from Triebel Waffenwerkzeuge. To ensure safe and effective use of this product, please read the following safety instructions carefully.

General Safety Guidelines

- Ensure safe use of the Expander by following these guidelines:
 - Read all instructions and warnings before using the product.
 - Keep the product out of reach of children and vulnerable individuals.
 - Use the Expander only for its intended purpose as described in this guide.
 - Regularly inspect the Expander for any signs of wear or damage before use.
 - If any defects are found, discontinue use immediately and seek assistance.
 - Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- To avoid potential hazards, please adhere to the following precautions:
 - Wear appropriate safety gear, including eye protection and gloves, when using the Expander.
 - Ensure that the work area is clean and free of obstructions.
 - Do not exceed the recommended diameter of 5.70 mm when using the Expander.
 - Avoid using the Expander with incompatible reloading dies.
 - Follow all manufacturer guidelines for the reloading process to prevent accidents.
 - Always use the Expander in a wellventilated area to avoid inhalation of any fumes.

Instructions for Installation and Usage

- Follow these steps for safe installation and usage of the Expander:

1. Preparation:

- Gather all necessary tools and materials.
- Ensure that the work area is welllit and organized.

2. Installation:

- Carefully insert the Expander into the reloading die according to the manufacturer's instructions.
- Ensure that it is securely fastened and properly aligned.

3. Usage:

- When using the Expander, apply consistent and moderate pressure.
- Do not force the Expander if it does not move smoothly; check for obstructions or misalignment.
- After use, clean the Expander to remove any debris or residue.

Disposal Instructions

- Proper disposal of the Expander is important for environmental safety:
 - Do not dispose of the Expander in regular household waste.
 - Check local regulations regarding the disposal of metal products.
 - Consider recycling the Expander if it is no longer usable.

Contact Information for Further Support

- For any questions or safety inquiries regarding the Expander, please reach out to the appropriate EU-based contact point. Ensure you have the product details ready for a more efficient response.

By following these guidelines, you can ensure the safe and effective use of your Expander. Thank you for prioritizing safety and compliance with EU General Product Safety Regulations.
