Expander Safety Instructions

Introduction

Thank you for choosing the Expander, designed for precise neck expansion and optimal bullet seating. This guide provides essential safety instructions to ensure the safe use and handling of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Product safety is paramount. Ensure that you follow all instructions carefully to avoid risks associated with the use of this product.
- Be aware that the Expander is designed for use with original reloading dies from Triebel Waffengeräte only.
- Always inspect the Expander before use for any signs of damage or wear.
- Keep the Expander out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the Expander.
- Ensure that your workspace is clean and organized to prevent accidents.
- Do not exceed the recommended specifications for the Expander, including the diameter and usage limits.
- Avoid using the Expander if you are tired, distracted, or under the influence of substances that may impair your judgment.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is clean and free from debris before installation.
- Carefully insert the Expander into the reloading die, ensuring it is securely fitted.
- Tighten any necessary screws or fasteners according to the manufacturer's specifications.

2. Usage:

- Before starting, doublecheck that the Expander is properly installed and secure.
- Follow the manufacturer's guidelines for operating the reloading die with the Expander.
- Monitor the process closely to ensure that the Expander is functioning correctly and safely.
- If you notice any irregularities or malfunctions, stop using the Expander immediately.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal waste.
- Do not throw the Expander in general waste.
- Contact local waste management authorities for specific disposal guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Expander, please contact the manufacturer directly. Ensure you have the product details and any relevant information ready for assistance.

By following these safety instructions, you can ensure a safe and effective experience with the Expander.

Always prioritize safety and stay informed about any product updates or recalls through the EU's Safety Gate platform.
