Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This product is designed for precise neck expansion and optimal bullet seating. It is compatible with original reloading dies from Triebel Waffenwerkzeuge. To ensure your safety and the safe use of this product, please read this guide carefully.

General Safety Guidelines

- Ensure the Expander is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage before use.
- Do not use the Expander if it appears to be damaged or malfunctioning.
- Follow all local regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Ensure that the Expander is securely attached to the reloading die before use.
- Avoid applying excessive force when using the Expander to prevent injury and damage.
- Use the Expander only for its intended purpose—neck expansion and bullet seating.
- Do not modify the Expander in any way, as this may compromise safety.
- Store the Expander in a dry and secure location when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free from debris.
- Carefully insert the Expander into the reloading die, ensuring a snug fit.
- Tighten the locking mechanism of the die to secure the Expander in place.

2. Usage:

- Prepare your brass cases according to your reloading specifications.
- Insert the brass case into the reloading die with the Expander attached.
- Apply steady pressure to the press handle to expand the neck of the case.
- After expansion, remove the brass case and check for proper neck dimensions.
- Proceed with bullet seating as per your reloading process.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal waste.
- Do not dispose of the Expander in regular household waste.
- If the product is damaged beyond repair, ensure it is recycled or disposed of safely.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Expander, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for prioritizing safety while using the Expander. Your adherence to these guidelines helps ensure a

safe and effective reloading experience.
