Safety Instruction Guide for Expander Expander 5.76/.2268

Introduction

Thank you for purchasing the Expander Expander 5.76/.2268. This product is designed for precise neck expansion and optimal bullet seating in reloading applications. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure safe use of the Expander Expander by following all instructions provided in this guide.
- Be aware of potential risks associated with the use of this product, including improper handling and usage.
- Always store the Expander in a safe place, out of reach of children and vulnerable individuals.
- Regularly check for updates and recalls related to this product on the EU's Safety Gate platform.
- If you encounter any safety issues or accidents, report them to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Expander.
- Only use the Expander with compatible reloading dies from Triebel Waffenwerkzeuge.
- Do not exceed the recommended specifications for diameter and usage as outlined in the product details.
- Ensure that the work area is clean and free from obstructions to prevent accidents.
- Avoid using the Expander if it appears damaged or worn. Inspect it regularly for signs of wear and tear.

Instructions for Installation and Usage

• Installation:

1. Ensure that your reloading press is turned off and unplugged before installation.
2. Carefully remove the Expander from its packaging.
3. Insert the Expander into the designated slot of your Triebel reloading die, ensuring a secure fit.
4. Tighten any screws or fasteners as necessary to secure the Expander in place.

• Usage:

1. Prepare your reloading setup according to standard operating procedures.
2. Adjust the Expander for the desired neck expansion based on your specific reloading needs.
3. Perform a test run with dummy cartridges to ensure proper functioning before proceeding with actual reloading.
4. Monitor the process closely and make adjustments as necessary to maintain precision.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal waste.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged or no longer usable, consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact your local distributor. Ensure you have your product details ready for reference.

By adhering to these safety instructions, you can ensure a safe and effective experience with your Expander Expander 5.76/.2268. Thank you for your attention to safety and responsible usage.
