Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander, a highquality tool designed for precise neck expansion and optimal bullet seating. This guide provides essential safety instructions to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the Expander.
- Ensure the Expander is suitable for your specific reloading dies, particularly those from Triebel Waffenwerkzeuge.
- Keep the Expander out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage before each use.
- Use the Expander only for its intended purpose to avoid accidents.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses, gloves, and hearing protection when using the Expander.
- Do not exceed the recommended diameter of 6.14 mm when using the Expander.
- Ensure that your workspace is clean, welllit, and free of distractions while using the Expander.
- Do not force the Expander; if it does not fit or operate smoothly, stop using it and inspect for issues.
- Follow all manufacturer instructions regarding the setup and operation of the Expander.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is securely mounted in your reloading press.
- Insert the Expander into the die, ensuring it is properly aligned.
- Tighten any necessary screws or clamps to secure the Expander in place.

2. Usage:

- Begin by preparing your brass cases according to standard reloading practices.
- Operate the reloading press slowly and steadily when using the Expander to ensure precision.
- Monitor the expansion process closely to ensure consistent results.
- After use, remove the Expander from the die and clean it to remove any debris or residue.

Disposal Instructions

- Dispose of the Expander responsibly, following local regulations for metal recycling.
- Do not dispose of the Expander in household waste.
- If the Expander is damaged or no longer usable, contact your local waste management service for proper disposal methods.

Contact Information for Further Support

For safety inquiries and further support, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Expander. Always prioritize safety and compliance with the EU GPSR guidelines. Thank you for your attention to these important safety measures.
