

Expander ⌀6,15/.2421

Expander (inside expander) made from high-quality hardened steel, precision-ground on CNC machines – for precise neck expansion and optimal bullet seating. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Expander ⌀6,15/.2421
- Manufacturer: TRIEBEL
- Product no.: EU2017205
- Mfr. No.: 3000050V-06.15
- Diameter mm: 6,15
- Delivery weight: 0.005kg
- Shipping height: 10mm
- Shipping width: 15mm
- Shipping length: 15mm
- EAN/UPC: 3000050V-06.15

Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander Expander 6,15/.2421. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this document carefully before using the Expander.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose, which is for precise neck expansion and optimal bullet seating in reloading applications.
- Always use the Expander in accordance with the manufacturer's instructions and guidelines.
- Keep the Expander out of reach of children and unauthorized users to prevent accidents and misuse.
- Inspect the Expander for any visible damage or wear before each use. Do not use if damaged.
- Store the Expander in a safe and dry place when not in use to prevent corrosion or damage.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling and using the Expander.
- Avoid direct contact with sharp edges of the Expander to prevent cuts or injuries.
- Ensure proper ventilation in the work area to avoid inhalation of any dust or particles generated during use.
- Do not exceed the recommended specifications for the Expander, as this may lead to equipment failure or personal injury.
- Follow all local and national regulations regarding the use of reloading equipment and materials.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is clean and free of debris before installation.
- Insert the Expander into the reloading die as per the manufacturer's instructions.
- Secure the Expander firmly to prevent movement during operation.

2. Usage:

- Set the reloading press to the appropriate settings according to the type of bullet and casing being used.
- Carefully operate the reloading press, applying steady pressure to the handle.
- Monitor the process closely to ensure that the Expander is functioning correctly and that the neck expansion is uniform.
- After use, clean the Expander to remove any residue or debris.

Disposal Instructions

- Dispose of any damaged or wornout Expanders in accordance with local waste disposal regulations.
- Do not dispose of the Expander in regular household waste. Instead, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Expander, please refer to the manufacturer's contact information provided on the packaging or product documentation.
