Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander Expander 6.17/.2429. This product is designed for precise neck expansion and optimal bullet seating in reloading applications. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the Expander is used in accordance with the manufacturer's instructions.
- Always inspect the Expander for any signs of damage or wear before use.
- Keep the Expander out of reach of children and unauthorized users.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the Expander.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended diameter when using the Expander.
- Ensure that the Expander is securely attached to the reloading die before use.
- Avoid using excessive force during the expansion process to prevent damage to the Expander or the die.
- Always follow the reloading guidelines provided by the manufacturer of your reloading equipment.
- Be aware of the potential hazards associated with reloading ammunition, including the risk of explosion and injury.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free from debris.
- Carefully insert the Expander into the reloading die, ensuring it is properly aligned.
- Tighten the die securely to prevent any movement during use.

2. Usage:

- Set your reloading press to the appropriate settings as per the manufacturer's instructions.
- Place the cartridge case in the press and engage the Expander.
- Gradually apply pressure to expand the neck of the cartridge case.
- Inspect the case after expansion to ensure it meets your specifications.

Disposal Instructions

- Dispose of any damaged or worn Expanders in accordance with local regulations for metal waste.
- Do not dispose of the Expander in regular household waste. Contact local waste management for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Expander, please reach out to your local EU-based contact point. Ensure you have the product details on hand when seeking assistance.

Remember, safety is paramount when using reloading equipment. Following these guidelines will help ensure a safe and effective experience with your Expander. Thank you for your attention to these important safety instructions.
