Expander Safety Instructions

Introduction

Thank you for choosing the Expander (inside expander) made from highquality hardened steel. This product is designed for precise neck expansion and optimal bullet seating, suitable for use with original reloading dies from Triebel Waffenwerkzeuge. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in the product description.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves while handling the Expander.
- Use the Expander in a wellventilated area to avoid inhaling any dust or particles generated during use.
- Ensure that all equipment used in conjunction with the Expander is in good working condition and suitable for the task.
- Do not apply excessive force during use, as this may lead to product failure or injury.
- Avoid using the Expander near flammable materials or in explosive environments.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the Expander and reloading dies.
- Ensure your workspace is clean and organized.

2. Installation:

- Carefully follow the manufacturer's instructions for installing the Expander into the reloading die.
- Ensure that the Expander is securely fastened and properly aligned.

3. Usage:

- Begin the neck expansion process by following the specific reloading guidelines provided by the manufacturer of your reloading dies.
- Apply steady and controlled pressure while using the Expander to achieve the desired results.
- Regularly check the progress and condition of the Expander during use to ensure safety and effectiveness.

4. PostUse Care:

- Clean the Expander thoroughly after use to remove any debris or residues.
- Store the Expander in a dry and safe place, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste.
- If the Expander is damaged or no longer usable, consider recycling it at a designated metal recycling facility.

Contact Information for Further Support

For any inquiries or concerns regarding the Expander, please reach out to the manufacturer's customer support or refer to the product documentation provided with your purchase. Always ensure that you have the product details ready for a more efficient response.

By following these safety instructions, you can ensure the safe and effective use of the Expander, contributing to a positive reloading experience. Thank you for your attention to safety.
