Safety Instruction Guide for Expander

Introduction

Thank you for choosing the Expander, designed for precise neck expansion and optimal bullet seating. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read this document carefully before using the Expander.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling this product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the Expander before each use for any signs of damage or wear.
- Do not modify the Expander in any way. Alterations may compromise safety and effectiveness.
- Always follow the manufacturer's instructions and guidelines for use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the Expander only with original reloading dies from Triebel Waffenwerkzeuge to ensure compatibility and safety.
- Ensure that your workspace is clean and free of any obstructions before use.
- Do not exceed the recommended diameter specifications (6.50 mm) when using the Expander.
- Avoid using excessive force during operation to prevent injury or damage to the product.
- Always ensure that the Expander is securely attached to the reloading die before use.
- If you experience any unusual noises or resistance while using the Expander, stop immediately and inspect the product for issues.

Instructions for Installation and Usage

1. Installation

- Ensure that the reloading press is turned off and unplugged before installation.
- Remove any existing mandrels from the reloading die.
- Insert the Expander into the reloading die, ensuring it is seated properly.
- Secure the Expander in place according to the manufacturer's instructions.

2. Usage

- Set the reloading press to the appropriate settings as per your reloading requirements.
- Place the casing in the reloading die and ensure it is properly aligned.
- Operate the reloading press slowly and steadily, allowing the Expander to perform its function without excessive force.
- After use, carefully remove the casing and inspect it for any irregularities.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal waste.
- Do not dispose of the Expander in household waste.
- Consider recycling options to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Expander, please contact the manufacturer or visit the official website for more information. Ensure you have the product details and any relevant information ready for a more efficient response.

By following these safety instructions, you will ensure a safe and effective experience with the Expander. Thank you for your attention to safety.
