Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander (inside expander) made from highquality hardened steel. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read and understand all sections carefully before using the Expander.

General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines when using the Expander.
- Ensure that the workspace is clean and organized to prevent accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the Expander.
- Keep the Expander out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Handle the Expander with care to avoid injury from sharp edges.
- Avoid using the Expander if you are tired or under the influence of alcohol or drugs.
- Ensure that the Expander is compatible with your reloading dies, specifically those from Triebel Waffenwerkzeuge.
- Do not exceed the recommended specifications for diameter or usage.
- Always store the Expander in a safe place when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free of debris before installation.
- Insert the Expander into the reloading die, ensuring a snug fit.
- Secure the Expander in place according to the manufacturer's instructions.

2. Usage:

- Before starting, doublecheck that all safety precautions are in place.
- Use the Expander only for its intended purpose – neck expansion and bullet seating.
- Apply even pressure when using the Expander to ensure consistent results.
- If you encounter resistance, stop using the Expander and check for any obstructions or misalignment.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations.
- If the Expander is damaged beyond use, consider recycling it if possible.
- Do not dispose of the Expander in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to your local distributor or retailer for assistance.

Thank you for prioritizing safety while using the Expander. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
