

Expander ⌀6,59/.2594

Expander (inside expander) made from high-quality hardened steel, precision-ground on CNC machines – for precise neck expansion and optimal bullet seating. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Expander ⌀6,59/.2594
- Manufacturer: TRIEBEL
- Product no.: EU2017212
- Mfr. No.: 3000050V-06.59
- Diameter mm: 6,59
- Delivery weight: 0.005kg
- Shipping height: 10mm
- Shipping width: 15mm
- Shipping length: 15mm
- EAN/UPC: 3000050V-06.59

Safety Instruction Guide for Expander

Introduction

Thank you for choosing the Expander. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the Expander.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose as described in this guide.
- Keep the Expander out of reach of children and vulnerable individuals.
- Inspect the Expander before each use for any signs of damage or wear. Do not use if damaged.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the Expander.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The Expander is made of highquality hardened steel and is designed for precision work. Improper use may lead to injury.
- Ensure that the working area is clean and free from distractions to avoid accidents.

- **Avoiding Hazards:**

- Do not exceed the recommended specifications for the Expander.
- Always secure the workpiece properly before using the Expander.
- Avoid wearing loose clothing or jewelry that may become entangled in the equipment.

- **AgeSpecific Warnings:**

- This product is intended for use by adults only. Keep it away from children and inexperienced users.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that the reloading die is compatible with the Expander.
2. Carefully insert the Expander into the reloading die according to the manufacturer's instructions.
3. Secure the Expander in place, ensuring it is tightly fitted and stable.

- **Usage:**

1. Before starting, ensure that all safety precautions are in place.
2. Position the workpiece securely in the reloading press.
3. Slowly and evenly apply pressure to the handle of the reloading press to expand the neck of the cartridge case.
4. Monitor the process closely to ensure that the Expander is functioning correctly.
5. Once the expansion is complete, carefully remove the cartridge case from the reloading press.

- **PostUsage:**

- Clean the Expander after each use to maintain its precision and longevity.
- Store the Expander in a safe, dry place away from children and pets.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal waste.
- Do not dispose of the Expander in household waste. Check for recycling options in your area.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
