Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander Expander 6,67/.2626. This guide provides essential safety information and instructions for the safe use of this product. Please read this guide carefully before using the Expander to ensure your safety and the proper functioning of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the Expander.
- Ensure that the Expander is used only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Keep the Expander out of reach of children and vulnerable individuals.
- Inspect the Expander for any signs of damage or wear before use. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the Expander.
- Ensure that the work area is clean and free from clutter to prevent accidents.
- Do not exceed the recommended specifications for the Expander, including the diameter and material compatibility.
- Avoid using the Expander in wet or damp conditions to prevent slipping and electrical hazards.
- Do not modify the Expander in any way. Alterations can compromise safety and performance.
- Ensure proper ventilation in the work area to avoid inhalation of any dust or fumes generated during use.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is securely mounted in your reloading press.
- Insert the Expander into the reloading die according to the manufacturer's instructions.
- Tighten any screws or fasteners to secure the Expander in place.

2. Usage:

- Before operating the reloading press, doublecheck that all components are correctly installed and secured.
- Load the appropriate cartridge case into the reloading press.
- Operate the reloading press to expand the neck of the cartridge case using the Expander.
- Monitor the process closely to ensure proper expansion and bullet seating.

3. PostUsage:

- After use, clean the Expander to remove any residue or debris.
- Store the Expander in a dry, safe place away from children and pets.
- Regularly inspect the Expander for wear and replace as necessary.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations.
- Do not dispose of the Expander in regular household waste if it is damaged or no longer usable.

- Consider recycling options for metal components if available in your area.

Contact Information for Further Support

For any inquiries regarding the Expander or safety concerns, please contact your local retailer or the manufacturer directly. Ensure you have the product information on hand for a more efficient response.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the Expander Expander 6,67/.2626. Thank you for your attention to safety.
