Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander Expander 6,68/.2630. This guide provides important safety information and instructions to ensure the safe use of this product. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using this product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Follow all local regulations regarding the use and handling of reloading tools and materials.

Specific Safety Precautions for Use

• Hazard Identification:

- The Expander is made from highquality hardened steel and is precisionground. Improper handling can lead to injury.
- Ensure that the workspace is clean and free from obstructions to avoid accidents.

• Usage Precautions:

- Do not use the Expander if it is damaged or malfunctioning.
- Always ensure that the Expander is securely attached to the reloading die before use.
- Avoid wearing loose clothing or jewelry that could get caught in machinery.
- Use the Expander in a wellventilated area to avoid inhaling any dust or particles generated during use.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is clean and free from debris.
- Insert the Expander into the reloading die, ensuring it is properly seated.
- Tighten any locking mechanisms according to the reloading die manufacturer's instructions.

2. Usage:

- Prepare your reloading materials according to the manufacturer's specifications.
- Operate the reloading press slowly and steadily to ensure precision.
- Monitor the process closely to avoid any misalignment or jamming.
- After use, clean the Expander to remove any residue or debris.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal recycling.
- Do not dispose of the product in regular household waste.
- Ensure that the product is rendered unusable before disposal to prevent accidental use.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Expander Expander 6,68/.2630, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure the safe and effective use of the Expander Expander 6,68/.2630. If you have any questions or need further assistance, do not hesitate to reach out to the manufacturer. Thank you for your attention to safety.
