Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This product is designed for precise neck expansion and optimal bullet seating. Please read this safety instruction guide carefully to ensure safe and effective use of the Expander.

General Safety Guidelines

- Ensure safe use of the Expander by following all instructions.
- Be aware of potential risks associated with improper use.
- Check for recall updates regularly on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.
- Keep the product out of reach of children and vulnerable groups.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the Expander.
- Do not exceed the recommended diameter specifications (6.69 mm) when using the Expander.
- Inspect the Expander for any signs of damage before each use. Do not use if damaged.
- Ensure that the Expander is compatible with your reloading dies from Triebel Waffenwerkzeuge.
- Use the Expander only for its intended purpose; misuse may result in injury or product failure.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including your reloading die set.
- Ensure your workspace is clean and welllit.

2. Installation:

- Carefully remove the Expander from its packaging, ensuring no damage occurs.
- Follow the instructions provided with your reloading die to install the Expander securely.
- Ensure that the Expander is tightly fitted to prevent any movement during use.

3. Usage:

- Set your reloading press to the appropriate settings as per your reloading die instructions.
- Insert the case into the reloading die, ensuring it is properly aligned.
- Slowly and steadily apply pressure to expand the neck using the Expander.
- Monitor the process closely to avoid overexpansion or damage.

4. PostUsage:

- After use, clean the Expander and store it in a safe, dry place.
- Regularly check the Expander for wear and tear to ensure continued safety.

Disposal Instructions

- Dispose of any damaged or wornout Expanders according to local waste management regulations.
- Do not dispose of the Expander in regular household waste. Instead, check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Expander, please refer to your retailer or manufacturer's website for assistance. Ensure you have the product details available for a quicker response.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your Expander.
