Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This guide provides essential safety instructions to ensure the safe use of the product and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly before using the Expander.

General Safety Guidelines

- Always use the Expander as intended. Misuse can lead to accidents or injuries.
- Ensure that the Expander is compatible with your reloading dies, specifically those from Triebel Waffenwerkzeuge.
- Keep the Expander out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the Expander for any signs of damage or wear. Do not use if damaged.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Before using the Expander, ensure you are wearing appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Use the Expander in a wellventilated area to avoid inhaling any dust or particles generated during use.
- Do not exceed the recommended diameter specifications. The Expander is designed for a Diameter V of 6.71 mm.
- Follow the manufacturer's instructions for using the Expander with your reloading dies to ensure safe operation.
- Avoid using excessive force when operating the Expander, as this may lead to equipment failure or personal injury.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials for the reloading process.
- Ensure your workspace is clean and organized to prevent accidents.

2. Installation

- Attach the Expander securely to your reloading die following the manufacturer's guidelines.
- Ensure that all connections are tight and stable before proceeding.

3. Usage

- Carefully follow the reloading procedure as outlined in your reloading die's manual.
- Use the Expander to perform neck expansion and bullet seating as required.
- Monitor the process closely to ensure that the Expander operates smoothly without any unusual noises or resistance.

4. PostUse

- After using the Expander, clean it thoroughly to remove any residue or debris.
- Store the Expander in a safe and dry location, away from children and pets.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal waste.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged beyond repair, contact your local waste management service for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Expander, please refer to the manufacturer's contact information included with your product packaging.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
