Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander (inside expander) made from highquality hardened steel. This product is designed for precise neck expansion and optimal bullet seating, specifically compatible with original reloading dies from Triebel Waffenwerkzeuge. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle the Expander with care to avoid injury.
- Ensure that the product is used only for its intended purpose.
- Keep the Expander out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of damage or wear before use.
- Follow all local regulations regarding the handling and use of reloading equipment.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the Expander.
- Do not exceed the recommended diameter specifications (6.72 mm) during use.
- Ensure that the Expander is securely attached to the reloading die before operation.
- Avoid using the Expander in wet or damp conditions to prevent slipping and accidents.
- If you experience any unusual noises or resistance during use, stop immediately and inspect the equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is clean and free from debris.
- Insert the Expander into the reloading die until it is firmly seated.
- Tighten the reloading die to secure the Expander in place.

2. Usage:

- Set the reloading press to the appropriate settings for neck expansion.
- Place the cartridge case into the reloading press.
- Engage the press to expand the neck of the cartridge case using the Expander.
- Check the expansion for uniformity and make any necessary adjustments.

3. PostUsage:

- Remove the Expander from the reloading die after use.
- Clean the Expander with a soft cloth to remove any residue.
- Store the Expander in a dry, safe location away from children.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal waste.
- Do not throw the Expander in regular household waste.
- Consider recycling options for metal products.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Expander, please refer to the manufacturer's website or contact your local distributor. Ensure you have the product details ready for efficient assistance.

By following these guidelines, you can ensure a safe and effective experience with your Expander. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
