Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander Expander 6,75/.2657. This product is designed for precise neck expansion and optimal bullet seating, ensuring a highquality reloading experience. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that all safety instructions are followed during handling and usage.
- Always inspect the Expander for any damage or wear before use.
- Keep the Expander out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in this guide.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the Expander.
- Do not exceed the recommended diameter specifications (6.75 mm) during use.
- Avoid using the Expander in wet or damp conditions to prevent slipping or accidents.
- Ensure that your workspace is clean and free of unnecessary clutter to reduce the risk of accidents.
- Do not modify or alter the Expander in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have the appropriate original reloading die from Triebel Waffenwerkzeuge.
- Carefully read the instructions provided with your reloading die to ensure compatibility with the Expander.
- Securely attach the Expander to the reloading die according to the manufacturer's instructions.

2. Usage:

- Before starting, check that the Expander is properly installed and secure.
- Adjust the reloading die settings according to the specifications for your specific bullet and casing.
- Gradually apply pressure to the Expander to achieve the desired neck expansion. Avoid applying excessive force.
- After use, carefully detach the Expander from the reloading die and clean it to remove any debris or residue.

Disposal Instructions

- Dispose of the Expander responsibly, following local regulations for metal waste.
- Do not throw the Expander in regular household waste to ensure environmental safety.
- If the Expander is damaged or no longer usable, consider recycling it at a designated facility.

Contact Information for Further Support

For any further inquiries or safety concerns regarding the Expander, please refer to the manufacturer's contact

information provided with your product packaging.

By adhering to these safety instructions, you can ensure a safe and effective experience with the Expander Expander 6,75/.2657. Thank you for your attention to safety, and happy reloading!
