Safety Instruction Guide for Expander

Introduction

Thank you for choosing the Expander. This product is designed for precise neck expansion and optimal bullet seating. It is made from highquality hardened steel and is precisionground on CNC machines. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose.
- Always inspect the Expander before use to check for any signs of damage or wear.
- Keep the Expander out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the Expander.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Do not exceed the recommended diameter of 6.99 mm when using the Expander.
- Avoid using the Expander if it shows any signs of damage.
- Ensure that the Expander is securely attached to the reloading die before use.
- Do not attempt to modify the Expander in any way.
- Always work in a wellventilated area to avoid inhalation of any dust or particles generated during use.
- Be mindful of your surroundings and ensure that no one is in close proximity while you are using the Expander.

Instructions for Installation and Usage

1. Installation:

- Carefully remove the Expander from its packaging.
- Inspect the Expander for any damage before installation.
- Attach the Expander to the original reloading die from Triebel Waffenwerkzeuge by following the manufacturer's instructions for your specific die model.
- Ensure that the Expander is tightened securely to prevent it from loosening during use.

2. Usage:

- Set up your reloading press according to the manufacturer's instructions.
- Insert the case into the reloading die with the Expander attached.
- Operate the reloading press smoothly to allow for precise neck expansion.
- After use, carefully remove the Expander from the reloading die and clean it to maintain its quality.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations.
- Do not dispose of the Expander in household waste.
- If the Expander is damaged or no longer usable, consider recycling it at a designated facility if applicable.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Expander, please refer to the EUbased contact information provided by the manufacturer or visit the official website for more details.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the Expander. Always prioritize safety and stay informed about any updates or recalls related to your product. Thank you for your attention to these important safety guidelines.
