Safety Instruction Guide for Expander Expander

Introduction

Thank you for choosing the Expander Expander, designed for precise neck expansion and optimal bullet seating. This guide provides essential safety information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always read and understand the instructions before use.
- Keep this guide for future reference.
- Store the product in a safe place, out of reach of children and vulnerable individuals.
- Regularly check the product for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the Expander.
- Ensure the work area is clean and welllit to avoid accidents.
- Do not exceed the recommended specifications for diameter and usage.
- Avoid using the Expander if you are tired or under the influence of substances that may impair your judgment.
- Keep hands and other body parts clear of moving parts during operation.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have the correct reloading die compatible with the Expander.
- Securely attach the Expander to the reloading die following the manufacturer's instructions.
- Check that the Expander is firmly in place before proceeding to use.

2. Usage:

- Before starting, confirm that all safety equipment is in place.
- Position the reloading die and Expander securely in your reloading setup.
- Slowly and steadily operate the Expander, maintaining control at all times.
- Monitor the process to ensure that the neck expansion is even and precise.
- After use, clean the Expander and store it properly to maintain its condition.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where available.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the contact provided with your product purchase. Always ensure you have the latest information regarding safety recalls and updates.

Thank you for prioritizing safety in your reloading practices. We hope you enjoy using the Expander Expander responsibly and effectively.
