Safety Instruction Guide for the Expander

Introduction

Thank you for choosing the Expander, a highquality tool designed for precise neck expansion and optimal bullet seating in reloading applications. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle the Expander with care to prevent injuries.
- Ensure that the tool is used in a welllit and clean workspace.
- Keep the Expander out of reach of children and unauthorized users.
- Regularly inspect the Expander for signs of wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the Expander.
- Avoid wearing loose clothing or jewelry that could become caught in machinery.
- Ensure the Expander is properly secured in your reloading setup before use.
- Do not exceed the recommended specifications for the Expander, including the diameter of 7.17 mm.
- Do not attempt to modify or alter the Expander in any way.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is compatible with the Expander.
- Carefully insert the Expander into the reloading die, ensuring a snug fit.
- Secure the Expander in place according to the manufacturer's instructions for your reloading equipment.

2. Usage:

- Before starting, doublecheck that the Expander is correctly installed and secured.
- Follow the reloading die's instructions for proper operation.
- Maintain a steady hand and focus while operating the Expander to ensure precise results.
- After use, clean the Expander to remove any debris or residue.

Disposal Instructions

- Dispose of the Expander responsibly at a designated recycling facility or according to local regulations.
- Do not dispose of the Expander in regular household waste.
- Ensure that any hazardous materials are handled according to local environmental guidelines.
