Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander Expander 7,18/.2827. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the Expander.

General Safety Guidelines

- Ensure that the Expander is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the Expander.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Expander for any signs of wear or damage before use.
- Do not use the Expander for purposes other than its intended use.
- Report any unsafe conditions or accidents related to the product to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure that the Expander is securely attached to the reloading die before use.
- Do not exceed the recommended pressure limits during expansion to avoid accidents.
- Maintain a clean and organized workspace to prevent accidents while using the Expander.
- Avoid wearing loose clothing or accessories that may become caught in the machinery.
- Be aware of your surroundings and ensure that no one is in close proximity while operating the Expander.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is clean and free of debris.
- Carefully insert the Expander into the reloading die until it is fully seated.
- Secure the Expander in place according to the manufacturer's instructions.

2. Usage:

- Set the appropriate settings on your reloading press according to the specifications for the caliber you are working with.
- Slowly operate the reloading press to expand the neck of the cartridge case.
- Monitor the process closely to ensure that the Expander is functioning correctly and safely.
- After use, remove the Expander from the reloading die and clean it thoroughly.

Disposal Instructions

- Dispose of the Expander and any associated materials in accordance with local regulations.
- Do not dispose of the Expander in regular household waste.
- Check with local recycling centers for proper disposal methods for metal products.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Expander, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety while using the Expander Expander 7,18/.2827. Your adherence to these

guidelines helps ensure a safe and efficient reloading experience.
