

## Expander &#x2300;7,19/.2831

Expander (inside expander) made from high-quality hardened steel, precision-ground on CNC machines – for precise neck expansion and optimal bullet seating. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

### Attributes

- Name: Expander &#x2300;7,19/.2831
- Manufacturer: TRIEBEL
- Product no.: EU2017233
- Mfr. No.: 3000050V-07.19
- Diameter mm: 7,19
- Delivery weight: 0.005kg
- Shipping height: 10mm
- Shipping width: 15mm
- Shipping length: 15mm
- EAN/UPC: 3000050V-07.19

# Expander Safety Instruction Guide

## Introduction

Thank you for choosing the Expander, designed for precise neck expansion and optimal bullet seating. This guide provides important safety instructions to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage. Do not use if damaged.
- Always wear appropriate personal protective equipment (PPE) when using the Expander, including safety glasses and gloves.
- Be aware of your surroundings and ensure that the workspace is clean and free from hazards.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:** The Expander can create sharp edges and may cause injury if not handled properly.
- **Avoiding Hazards:**
  - Always handle the Expander with care to prevent cuts or injuries from sharp edges.
  - Use the Expander in a wellventilated area to avoid inhalation of any dust or debris.
  - Ensure that all safety features of your reloading equipment are in place and functioning correctly before use.
  - Do not apply excessive force when using the Expander to avoid damage to both the tool and the workpiece.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Expander is compatible with your reloading die from Triebel Waffenwerkzeuge.
- Carefully insert the Expander into the reloading die according to the manufacturer's instructions.
- Secure the Expander in place to prevent movement during operation.

### 2. Usage:

- Before starting, doublecheck that the workspace is clear and that you have all necessary tools on hand.
- Follow the reloading die's instructions for proper operation of the Expander.
- Use smooth and controlled movements when operating the Expander to ensure precision and safety.
- After use, clean the Expander to remove any debris or residue.

## Disposal Instructions

- Dispose of the Expander responsibly. Do not throw it in regular household waste.
- Check local regulations for guidelines on the disposal of metal products.
- If the Expander is damaged or no longer usable, consider recycling it if possible.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the Expander, please refer to the manufacturer's contact details provided with the product packaging. Always ensure you have the most current information regarding safety recalls and updates by checking the EU's Safety Gate platform.

Thank you for prioritizing safety and compliance while using the Expander. Your careful attention to these guidelines helps ensure a safe and effective reloading experience.
