Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This product is designed for precise neck expansion and optimal bullet seating in reloading applications. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose as specified in the product description.
- Always inspect the Expander for any signs of damage or wear before use. Do not use if damaged.
- Keep the Expander out of reach of children and vulnerable individuals to prevent accidents.
- Follow all local laws and regulations regarding the use of reloading equipment and materials.
- Store the Expander in a dry and secure location when not in use.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the Expander.
- Use the Expander only with original reloading dies from Triebel Waffenwerkzeuge to ensure compatibility and safety.
- Do not exceed the recommended specifications for the Expander, including diameter and pressure limits.
- Avoid using the Expander in wet or damp conditions to prevent slipping and accidents.
- Be aware of your surroundings and ensure that no unauthorized individuals are nearby when operating the Expander.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Securely attach the Expander to the reloading die according to the manufacturer's instructions.
- Doublecheck that the Expander is properly aligned and tightened before proceeding.

2. Usage:

- Prepare your cases according to standard reloading procedures.
- Insert the case into the reloading press and ensure it is seated correctly.
- Operate the reloading press slowly and steadily while using the Expander, maintaining control at all times.
- After use, remove the Expander from the reloading die and clean it to remove any debris or residue.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal recycling.
- If the Expander is damaged beyond repair, ensure it is disposed of in a way that prevents accidental harm to others.
- Do not throw the Expander in regular household waste.

Contact Information for Further Support

For any safety inquiries or further support regarding the use of the Expander, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety while using the Expander. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
