Safety Instruction Guide for Expander

Introduction

Thank you for choosing the Expander, designed for precise neck expansion and optimal bullet seating in reloading applications. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure the product is used in accordance with the manufacturer's specifications.
- Store the product in a safe and dry location, away from children and unauthorized users.
- Regularly inspect the product for wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the Expander.
- Do not modify the Expander in any way, as this may lead to increased risk of injury.
- Ensure that the Expander is compatible with your reloading dies; only use it with original reloading dies from Triebel Waffenwerkzeuge.
- Keep hands and body clear of moving parts during operation.
- If you experience any unusual noise or vibration while using the Expander, stop using it immediately and inspect for issues.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is securely mounted in your reloading press.
- Insert the Expander into the die according to the manufacturer's instructions.
- Tighten any locking mechanisms to ensure stability during use.

2. Usage:

- Adjust the Expander to the desired depth for neck expansion.
- Operate the reloading press smoothly and steadily to avoid sudden movements.
- Monitor the process closely to ensure consistent results and safety.
- After use, clean the Expander to remove any debris and prevent corrosion.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal products.
- Do not dispose of the product in regular household waste.
- If the Expander is damaged or no longer usable, consider recycling it at an appropriate facility.

Contact Information for Further Support

For any inquiries or concerns regarding the Expander, please refer to the manufacturer's customer service or support channels.

By following these safety instructions, you can ensure a safe and effective experience with the Expander.

Always prioritize safety and compliance with regulations for your wellbeing and that of others.
