Safety Instruction Guide for Expander

Introduction

Thank you for choosing the Expander, a highquality tool designed for precise neck expansion and optimal bullet seating. This guide provides essential safety instructions to ensure the safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the safety instructions before using the Expander.
- Ensure that the Expander is used only for its intended purpose.
- Keep the Expander out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of damage or wear before use.
- In case of any malfunction or damage, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Use protective eyewear when operating the Expander to prevent eye injuries from debris.
- Wear gloves to protect your hands from sharp edges and potential injuries.
- Ensure a stable and secure working surface to prevent accidents during use.
- Do not exceed the recommended diameter of 7.71 mm when using the Expander with reloading dies.
- Always follow the manufacturer's instructions when integrating the Expander with other equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is clean and free from debris before installation.
- Carefully insert the Expander into the reloading die, ensuring it is aligned properly.
- Secure the Expander in place according to the manufacturer's specifications.

2. Usage:

- Adjust the reloading press to the appropriate settings as per your requirements.
- Gradually apply pressure while operating the Expander to achieve desired neck expansion.
- Monitor the process closely to ensure consistent results and prevent damage to the Expander or the reloading die.
- After use, clean the Expander to remove any residue or debris.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal recycling.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged beyond repair, ensure it is rendered unusable before disposal.

Contact Information for Further Support

- For any safety inquiries or concerns regarding the Expander, please refer to the EU contact point for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Expander. Always prioritize safety and report any unsafe conditions or incidents to the appropriate authorities. Thank you for your attention to these important safety guidelines.
