Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander, a highquality tool designed for precise neck expansion and optimal bullet seating in reloading applications. This guide provides essential safety instructions and information to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the Expander.
- Keep the Expander out of reach of children and vulnerable individuals.
- Always use the Expander in a wellventilated area.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the product.
- Regularly inspect the Expander for any signs of wear or damage before each use.
- Do not use the Expander for any purpose other than its intended use as specified in this guide.
- Report any unsafe conditions or incidents involving the Expander to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the Expander is securely attached to the reloading die before use.
- Avoid applying excessive force during operation to prevent damage to the Expander or injury to yourself.
- Do not exceed the recommended specifications for the Expander, including diameter and operating conditions.
- Keep hands and other body parts clear of the Expander's working area during operation.
- Store the Expander in a dry, safe location when not in use to prevent accidental injury.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is clean and free from debris.
- Carefully insert the Expander into the reloading die, ensuring a snug fit.
- Secure the Expander in place according to the manufacturer's instructions for the reloading die.

2. Usage:

- Before starting, check that the Expander is properly installed and secure.
- Place the cartridge case into the reloading die.
- Slowly operate the reloading press to expand the neck of the cartridge case using the Expander.
- Ensure that the bullet is seated correctly after expansion.
- After use, carefully remove the Expander from the reloading die and clean it according to the maintenance instructions.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal products.
- Do not dispose of the Expander in general household waste.
- If the Expander is damaged, ensure that it is disposed of safely to prevent injury.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Expander, please contact the manufacturer or consult the retailer where the product was purchased. Ensure that you have the product's details ready for reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your Expander responsibly!
