Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This guide provides important safety instructions to ensure the safe use of the product. Please read this guide carefully before using the Expander.

General Safety Guidelines

- Ensure that you are familiar with the product and its intended use before operating it.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, while using the Expander.
- Keep the Expander out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage before each use.
- Do not attempt to modify the Expander or use it for purposes not intended by the manufacturer.
- In case of any malfunction or abnormal operation, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from sharp edges or moving parts.
 - Risk of improper neck expansion leading to unsafe ammunition.
- **Avoiding Hazards:**
 - Always ensure that the Expander is securely attached to the reloading die before use.
 - Do not place hands or fingers near the Expander while it is in operation.
 - Use the Expander only with compatible reloading dies from Triebel Waffenwerkzeuge.
 - Ensure that the work area is clean and free from distractions while using the Expander.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading die is clean and free from debris.
- Carefully insert the Expander into the reloading die until it is fully seated.
- Secure the Expander by tightening the locking mechanism according to the die's specifications.

2. Usage:

- Prepare the casing for neck expansion by ensuring it is clean and properly sized.
- Insert the casing into the reloading die with the Expander installed.
- Operate the reloading press according to the manufacturer's instructions, applying steady pressure.
- Once neck expansion is complete, carefully remove the casing from the die.

3. PostUsage:

- Inspect the Expander for any signs of wear or damage after use.
- Clean the Expander and reloading die to remove any residue.
- Store the Expander in a safe, dry place away from children.

Disposal Instructions

- Dispose of the Expander responsibly at a designated recycling facility or according to local regulations.
- Do not dispose of the Expander in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Expander, please reach out to the designated EUbased contact point provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience while using the Expander. Thank you for prioritizing safety in your reloading activities.
