Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This guide provides important safety instructions to ensure the safe and effective use of the product. Please read all instructions carefully before using the Expander.

General Safety Guidelines

- Ensure that the Expander is used in accordance with the manufacturer's instructions to avoid any risks.
- Regularly inspect the Expander for any signs of wear or damage before each use.
- Always use protective gear, such as safety glasses and gloves, when handling the Expander.
- Keep the Expander out of reach of children and vulnerable individuals to prevent accidents.
- In case of any accidents or unsafe conditions, report them to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the Expander with compatible reloading dies from Triebel Waffenwerkzeuge.
- Do not exceed the recommended diameter of 7.79 mm during use to prevent damage and ensure safety.
- Avoid using excessive force when expanding the neck or seating bullets to prevent injury or damage to the product.
- Ensure that the work area is clean and free from unnecessary clutter to minimize the risk of accidents.
- Follow all local regulations regarding the handling and use of reloading equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is properly installed in your reloading press.
- Insert the Expander into the die according to the manufacturer's specifications.
- Adjust the die settings as necessary to accommodate the Expander.

2. Usage:

- Prepare your brass cases by cleaning and inspecting them before reloading.
- Insert the brass case into the reloading press and ensure it is securely held in place.
- Operate the press slowly and steadily, applying even pressure to expand the neck of the brass case.
- After expanding, check the case for proper neck expansion and bullet seating.
- Store the Expander in a safe and dry place when not in use.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal recycling.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged beyond repair, contact local recycling facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Expander, please consult the manufacturer's website or contact their customer support for assistance. Always ensure that you have the product details on hand when seeking support.

By following these safety instructions, you will help ensure a safe and effective experience with the Expander.
Thank you for your attention to safety.
