Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This product is designed for precise neck expansion and optimal bullet seating, making it suitable for original reloading dies from Triebel Waffenwerkzeuge. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the Expander is used only for its intended purpose.
- Always handle the Expander with care to avoid injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the Expander.
- Do not exceed the recommended diameter of 7.81 mm during use.
- Ensure that the Expander is securely attached to the reloading die before operation.
- Avoid using the Expander in wet or humid conditions to prevent rusting or corrosion.
- Never use the Expander with damaged or incompatible reloading dies.
- Follow all manufacturer instructions and guidelines regarding the use of the Expander.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is clean and free from debris.
- Insert the Expander into the reloading die, ensuring a snug fit.
- Secure the Expander in place according to the manufacturer's instructions.

2. Usage:

- Set up your reloading press according to the manufacturer's guidelines.
- Adjust the reloading press settings to accommodate the Expander.
- Perform a test run to ensure proper operation before commencing with full production.
- Monitor the process closely to ensure no malfunctions occur during use.

3. PostUsage:

- After use, clean the Expander with a suitable solvent to remove any residue.
- Store the Expander in a dry, safe place to prevent damage.
- Regularly check the Expander for any signs of wear and replace if necessary.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal waste.
- Do not dispose of the Expander in general household waste.
- If the Expander is damaged or no longer usable, consider recycling it at a designated facility.

Contact Information for Further Support

For any questions or concerns regarding the Expander, please reach out to your local retailer or the manufacturer directly. They can provide additional support and information regarding safety and usage.

By following these safety instructions, you help ensure a safe and effective experience with the Expander. Thank you for your attention to safety!
