Safety Instruction Guide for Expander

Introduction

Thank you for choosing the Expander, a highquality tool designed for precise neck expansion and optimal bullet seating. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the Expander.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the Expander.
- Keep the work area clean and welllit to prevent accidents.
- Store the Expander in a dry place, away from moisture and extreme temperatures.
- Do not modify the Expander in any way, as this may compromise safety and effectiveness.
- Be aware of your surroundings and ensure that bystanders are at a safe distance while operating the tool.
- Regularly inspect the Expander for any signs of wear or damage. If any issues are found, discontinue use immediately.

Specific Safety Precautions for Use

- Only use the Expander with compatible original reloading dies from Triebel Waffenwerkzeuge.
- Ensure that the Expander is properly secured in the reloading press before use.
- Avoid excessive force when using the Expander to prevent damage to the tool or the reloading dies.
- Do not use the Expander if you are tired or under the influence of substances that may impair your judgment or coordination.
- Keep your hands and fingers clear of moving parts while operating the Expander.
- If you experience any discomfort or abnormal sensations during use, stop immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Carefully insert the Expander into the reloading die following the manufacturer's instructions.
- Secure the Expander by tightening the locking mechanism to prevent any movement during use.
- Doublecheck that the Expander is properly aligned and securely attached.

2. Usage:

- Prepare your workspace by organizing all necessary tools and materials.
- Load the appropriate cartridge case into the reloading press.
- Operate the reloading press according to the manufacturer's guidelines, applying steady and controlled pressure.
- After completing the neck expansion process, carefully remove the cartridge case from the reloading press.
- Clean the Expander after each use to maintain its performance and longevity.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal recycling and hazardous waste.

- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged beyond repair, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support related to the Expander, please reach out to the designated contact point provided by the manufacturer or retailer. Always ensure that you have the most current information regarding your product.

By following these safety instructions, you can ensure a safe and effective experience with the Expander. Thank you for prioritizing safety in your reloading practices.
