Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander Expander 7.86/.3094. This highquality tool is designed for precise neck expansion and optimal bullet seating in reloading processes. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Always handle the Expander with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, during use.
- Ensure that the work area is clean, welllit, and free from distractions.
- Do not exceed the recommended settings or specifications for the Expander.
- Avoid using the Expander on defective or damaged reloading dies.
- Do not attempt to modify or disassemble the Expander.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is securely mounted in your reloading press.
- Insert the Expander into the reloading die according to the manufacturer's instructions.
- Tighten any necessary screws or locks to secure the Expander in place.

2. Usage:

- Adjust the Expander to the desired diameter setting (7.86 mm).
- Insert the case to be expanded into the reloading die.
- Activate the reloading press to perform the neck expansion.
- Carefully remove the expanded case and inspect it for any defects.

Disposal Instructions

- Dispose of the Expander responsibly when it reaches the end of its life.
- Follow local regulations for the disposal of metal products.
- If the Expander is damaged, do not throw it in regular trash; instead, take it to a designated recycling facility.

Contact Information for Further Support

For any questions or concerns regarding the Expander or safety inquiries, please reach out to your local distributor or manufacturer. They will provide you with the necessary support and information.

By adhering to these safety instructions, you can ensure a safe and effective experience with your Expander Expander 7.86/.3094. Thank you for your attention to safety.
