Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This guide provides essential safety instructions to ensure the safe use and handling of the product. Please read this guide carefully before using the Expander.

General Safety Guidelines

- Ensure that the Expander is used in accordance with the manufacturer's instructions.
- Always inspect the Expander for any signs of damage or wear before use.
- Keep the Expander out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.
- Stay informed about product recalls or safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the Expander only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the Expander.
- Ensure that the work area is clean, welllit, and free from distractions while using the Expander.
- Do not exceed the recommended operating conditions for the Expander.
- Avoid using the Expander if you are under the influence of drugs or alcohol.
- Follow all local regulations regarding the handling and storage of reloading equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Insert the Expander into the appropriate die slot of your reloading press.
- Tighten the die securely to prevent movement during operation.

2. Usage:

- Before starting, ensure that the Expander is clean and free from obstructions.
- Adjust the Expander to the desired diameter setting (7.90 mm) based on your specific requirements.
- Place the cartridge case in the reloading press and engage the Expander.
- Operate the reloading press smoothly and steadily to expand the neck of the cartridge case.
- After use, clean the Expander to remove any residue or debris.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal recycling.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged beyond repair, ensure that it is rendered unusable before disposal.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product packaging.

Please ensure that you follow these safety instructions to maximize your safety and the performance of the Expander. Thank you for your attention to these important guidelines.
