Safety Instructions for Expander (inside expander)

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This product is designed for precise neck expansion and optimal bullet seating, suitable for use with original reloading dies from Triebel Waffenwerkzeuge. To ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the Expander in accordance with the manufacturer's instructions.
- Ensure that the Expander is compatible with your reloading equipment.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Handling:** Always handle the Expander with care. Avoid dropping or mishandling the product as it may cause damage.
- **Personal Protective Equipment:** Wear appropriate safety gear, such as gloves and eye protection, when using the Expander.
- **Work Environment:** Use the Expander in a wellventilated area to avoid inhaling any dust or debris generated during use.
- **Operational Safety:** Do not exceed the recommended operating parameters for your reloading equipment when using the Expander.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your reloading die is clean and free of debris before installation.
- Gather all necessary tools and safety equipment.

2. Installation:

- Carefully insert the Expander into the reloading die according to the manufacturer's specifications.
- Ensure that the Expander is securely fastened and does not wobble or move during operation.

3. Usage:

- Follow the reloading die's instructions for operation, ensuring that the Expander is used in the correct sequence.
- Monitor the Expander during use for any unusual noises or vibrations that may indicate a problem.

4. PostUse Care:

- After use, clean the Expander to remove any residue or debris.
- Store the Expander in a safe place, away from children and pets, to prevent accidents.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal recycling.
- Do not dispose of the Expander in regular household waste.
- If the product is damaged or no longer functional, ensure that it is disposed of safely to avoid any risk of injury.

Contact Information for Further Support

For safety inquiries or additional support regarding the Expander, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience while using the Expander. Thank you for your attention to these guidelines.
