Expander Safety Instruction Guide

Introduction

Thank you for purchasing the Expander (inside expander) made from highquality hardened steel. This product is designed for precise neck expansion and optimal bullet seating, suitable for original reloading dies from Triebel Waffenwerkzeuge. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the Expander in accordance with the manufacturer's instructions.
- Inspect the Expander for any damage or wear before each use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that your workspace is clean and free from any hazards before using the Expander.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves during use.
- Follow all local regulations and guidelines regarding the use of reloading equipment.

Specific Safety Precautions for Use

- The Expander is designed for use with specific reloading dies. Ensure compatibility before use.
- Avoid excessive force during operation to prevent damage to the Expander or injury.
- Do not modify the Expander in any way. Modifications can lead to unsafe conditions.
- Always keep hands and body away from the Expander's moving parts during operation.
- If you experience any unusual sounds or resistance during use, stop immediately and inspect the product.
- Ensure that the Expander is securely attached to the reloading die before starting the operation.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is clean and free from debris.
- Insert the Expander into the reloading die, ensuring it is seated correctly.
- Tighten the locking mechanism securely to prevent movement during use.
- Verify that the Expander is properly aligned and functioning before proceeding.

2. Usage:

- Prepare your components according to the reloading process.
- Operate the reloading press according to the manufacturer's instructions.
- Monitor the operation closely and be prepared to stop if necessary.
- After use, carefully remove the Expander from the reloading die and clean it to maintain its condition.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal products.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged beyond repair, consider recycling the materials if possible.

Contact Information for Further Support

- For any questions or concerns regarding the Expander, please consult the manufacturer's instructions or

visit their official website for more information.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the Expander for your reloading needs.
