Safety Instruction Guide for Expander Expander ⌀8,04/.3165

Introduction

Thank you for choosing the Expander Expander ⌀8,04/.3165. This guide provides essential safety instructions and usage guidelines to ensure your safe and effective use of this product. Please read this document thoroughly before using the expander.

General Safety Guidelines

- Always handle the Expander with care to avoid injury.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for wear or damage before use.
- If you notice any defects, do not use the product and contact customer support for assistance.
- Follow all local regulations regarding the use of reloading tools and equipment.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the Expander.
- Ensure that the workspace is clean and free of obstructions to prevent accidents.
- Use the Expander only with compatible reloading dies from Triebel Waffenwerkzeuge.
- Do not exceed the recommended dimensions or specifications when using the Expander.
- Avoid using excessive force during operation to prevent damage to the Expander or injury to yourself.
- Be aware of your surroundings and ensure that no one is in the vicinity when operating the Expander.

Instructions for Installation and Usage

1. Installation

- Ensure that your workspace is clean and free of clutter.
- Verify that the Expander is compatible with your reloading die.
- Securely attach the Expander to the reloading die according to the manufacturer's instructions.
- Doublecheck that the Expander is properly installed and tightened before use.

2. Usage

- Set up your reloading station according to standard safety practices.
- Insert the cartridge case into the reloading die and ensure it is properly positioned.
- Operate the reloading press slowly and steadily while using the Expander to avoid accidents.
- Monitor the expansion process closely, and stop if you notice any irregularities or issues.
- After use, clean the Expander to remove any residue or debris that may have accumulated.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal recycling and hazardous waste.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged or worn beyond use, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Expander Expander ⌀8,04/.3165, please reach out to the designated contact point in your region. Ensure that you have the product details on hand to facilitate the support process.

Thank you for your attention to these safety instructions. Your safety is our priority, and we wish you a successful and enjoyable experience with your Expander.
