Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander Expander 8,12/.3197. This highquality tool is designed for precise neck expansion and optimal bullet seating, made from hardened steel and precisionground on CNC machines. To ensure your safety and the effective use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the Expander in accordance with the manufacturer's instructions to avoid accidents or injuries.
- Ensure that the work area is clean, dry, and welllit to minimize risks.
- Keep the Expander out of reach of children and vulnerable individuals.
- Regularly inspect the Expander for any signs of wear or damage. If damaged, do not use it.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the Expander.
- Never exceed the recommended diameter specifications during use to prevent tool failure.
- Avoid wearing loose clothing or jewelry that may get caught in moving parts.
- Ensure that all safety guards and devices are in place when using the Expander.
- Do not use the Expander for purposes other than its intended use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the work area is clear of any unnecessary items.
- Gather all necessary tools and materials before starting.

2. Installation:

- Secure the Expander in the appropriate reloading die as per the manufacturer's instructions.
- Ensure that the Expander is tightly fitted to avoid any movement during use.

3. Usage:

- Begin the neck expansion process by carefully following the reloading die instructions.
- Apply steady and even pressure while operating the Expander to ensure consistent results.
- After use, clean the Expander to remove any debris or residue.

4. PostUse:

- Store the Expander in a safe and dry location, away from moisture and extreme temperatures.
- Regularly check the tool for any signs of damage or wear before the next use.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal waste.
- Do not dispose of the Expander in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Expander, please reach out to your local distributor or the manufacturer directly.

By following these safety instructions, you can ensure the safe and effective use of the Expander Expander 8,12/.3197. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
