Safety Instruction Guide for Expander Expander 8,13/.3201

Introduction

Thank you for choosing the Expander Expander 8,13/.3201. This product is designed for precise neck expansion and optimal bullet seating in reloading applications. This guide provides important safety instructions to ensure safe use and compliance with EU regulations.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always read and follow the instructions provided in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not use the product if it is damaged or malfunctioning.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when operating the expander.
- Ensure that the work area is clean and free from obstructions.
- Do not exceed the recommended operating limits of the product.
- Avoid direct contact with moving parts during operation.
- Do not modify the product in any way.
- Store the product in a dry and secure location when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the correct reloading die compatible with the Expander Expander.
- Carefully follow the manufacturer's instructions for installing the expander into the reloading die.
- Ensure all components are securely tightened before use.

2. Usage:

- Before starting, ensure that the reloading press is properly set up and calibrated.
- Insert the cartridge case into the reloading die as per the manufacturer's guidelines.
- Operate the reloading press slowly and steadily to ensure precise neck expansion.
- Monitor the process closely to avoid any mishaps or accidents.
- After use, clean the expander to remove any debris or residue.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Expander Expander 8,13/.3201, please refer to the manufacturer's contact information provided in the packaging or user manual.

By following these safety instructions, you can ensure the safe and effective use of the Expander Expander 8,13/.3201 while complying with the EU General Product Safety Regulation. Thank you for your attention to safety.
