Safety Instruction Guide for Expander Expander ⌀8,17/.3217

Introduction

Thank you for choosing the Expander Expander ⌀8,17/.3217. This guide provides important safety instructions and guidelines to ensure the safe use of the product. Please read this document carefully before using the product to understand how to handle it correctly and safely.

General Safety Guidelines

- Ensure the product is used only for its intended purpose, which is neck expansion and bullet seating in reloading processes.
- Always follow the manufacturer's instructions and recommendations when using the Expander.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before each use.
- If you encounter any issues or have concerns regarding the safety of the product, stop using it immediately and seek assistance.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves, to protect against metal shavings and debris during use.
- Ensure that the work area is welllit and free from clutter to prevent accidents.
- Do not exceed the recommended diameter and specifications when using the Expander to avoid malfunction or damage.
- Use the Expander only with compatible reloading dies from Triebel Waffenwerkzeuge to ensure safe operation.
- Avoid using excessive force when operating the Expander to prevent injury or equipment failure.
- Be cautious of sharp edges and surfaces when handling the Expander.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading die is securely mounted to your reloading press.
- Insert the Expander into the die according to the manufacturer's instructions.
- Make sure the Expander is properly aligned and tightened to avoid movement during use.

2. Usage:

- Place the case to be expanded in the reloading press.
- Slowly operate the press to expand the neck of the case using the Expander.
- Monitor the process closely to ensure proper expansion and bullet seating.
- Once the operation is complete, carefully remove the case from the press.

3. PostUsage:

- Clean the Expander after each use to remove any debris or residue.
- Store the Expander in a safe and dry location, away from children and pets.

Disposal Instructions

- Dispose of the Expander responsibly at the end of its life cycle.
- Follow local regulations and guidelines for the disposal of metal products.
- If the Expander is damaged or no longer usable, consider recycling it if possible.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Expander Expander ⌀8,17/.3217, please reach out to the appropriate EU contact point. Ensure you have the product details available for reference.

Remember, safety is a priority. By following these guidelines, you can ensure a safe and effective experience with your Expander Expander ⌀8,17/.3217. Thank you for your attention to these important safety instructions.
