Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander Expander 8,20/.3228. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before using the Expander to avoid potential hazards.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose, which is neck expansion and bullet seating in reloading processes.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using this product.
- Keep the Expander out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the Expander for any signs of damage or wear. Do not use if damaged.
- Follow all local regulations and guidelines regarding the use of reloading equipment and materials.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Sharp edges: The Expander may have sharp edges that can cause cuts or injuries.
 - High pressure: Reloading can involve high pressures that may lead to dangerous situations if not handled correctly.
- **Avoiding Hazards:**
 - Always handle the Expander with care, avoiding contact with sharp edges.
 - Ensure that you are familiar with the reloading process and follow all safety measures to prevent highpressure accidents.
 - Do not exceed the recommended specifications for the Expander, as this can lead to malfunctions or accidents.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that your reloading die is compatible with the Expander.
 2. Carefully remove the Expander from its packaging.
 3. Insert the Expander into the reloading die according to the manufacturer's instructions.
 4. Secure the Expander in place to prevent movement during use.
- **Usage:**
 1. Before starting, ensure that all necessary materials are prepared and organized.
 2. Adjust the reloading die settings as needed for the specific type of bullet and casing you are using.
 3. Perform a test run with a dummy round to ensure proper seating and expansion.
 4. Use the Expander to neck expand and seat bullets according to the reloading guidelines.
 5. After use, clean the Expander to remove any debris or residue.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal waste.
- Do not throw the Expander in household waste. Check for recycling options in your area.

Contact Information for Further Support

For any safety inquiries or support related to the Expander, please refer to the appropriate EUbased contact point as required by the EU General Product Safety Regulation.

Thank you for your attention to these safety instructions. By following these guidelines, you can help ensure a safe and effective experience with the Expander Expander 8,20/.3228.
