Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander Expander 8,21/.3232. This product is designed for precision neck expansion and optimal bullet seating in reloading applications. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you are familiar with the general safety practices when working with reloading equipment.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using this product.
- Keep the work area clean, welllit, and free of distractions.
- Store the Expander in a secure location, out of reach of children and pets.
- Regularly inspect the Expander for any signs of damage or wear before use.
- If you notice any defects, do not use the product and contact your supplier for assistance.

Specific Safety Precautions for Use

- Only use the Expander with original reloading dies from Triebel Waffenwerkzeuge.
- Do not exceed the recommended diameter specifications of 8.21 mm.
- Ensure that the Expander is securely attached to your reloading setup before use.
- Avoid wearing loose clothing or jewelry that may get caught in machinery.
- Be aware of your surroundings and ensure that no one is in close proximity while operating the equipment.
- Follow all manufacturer instructions for your reloading setup to prevent accidents.

Instructions for Installation and Usage

Installation

1. **Prepare Your Workspace:** Ensure your reloading area is clean and organized.
2. **Attach the Expander:**
 - Remove any existing attachments from your reloading die.
 - Insert the Expander into the die according to the manufacturer's instructions.
 - Securely tighten the Expander to prevent movement during use.
3. **Check Compatibility:** Verify that the Expander is compatible with your specific reloading die model.

Usage

1. **Setup:** Confirm that all components of your reloading setup are correctly assembled and functioning.
2. **Neck Expansion:**
 - Place the cartridge case into the reloading die.
 - Operate the reloading press as per the manufacturer's guidelines to perform neck expansion.
3. **Bullet Seating:**
 - After neck expansion, proceed to seat the bullet as per your reloading process.
 - Monitor the seating depth to ensure accuracy.
4. **PostUse Inspection:**
 - After use, clean the Expander to remove any debris or residue.
 - Store the Expander in a safe location.

Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not throw the product into regular household waste. Instead, check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any safety inquiries or support regarding the Expander, please consult your local supplier or refer to the manufacturer's website for additional resources.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the Expander Expander 8,21/.3232. Always prioritize safety and adhere to the guidelines outlined in this document. Thank you for your attention to these important safety measures.
