Safety Instruction Guide for Expander Expander 8,54/.3362

Introduction

Thank you for choosing the Expander Expander 8,54/.3362. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the Expander to familiarize yourself with the necessary precautions and proper usage.

General Safety Guidelines

- Always ensure that the Expander is used in accordance with the manufacturer's instructions.
- Keep the Expander out of reach of children and vulnerable individuals.
- Inspect the Expander for any damage before each use. Do not use if damaged.
- Use the Expander only for its intended purpose. Misuse can lead to accidents and injuries.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Expander.
- Ensure that your workspace is clean, dry, and free from any obstructions.
- Do not exceed the recommended specifications for the Expander, including the diameter of 8.54 mm.
- Avoid wearing loose clothing or jewelry that could get caught in machinery during use.
- Always work in a wellventilated area to prevent inhalation of any harmful particles.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have the correct reloading die from Triebel Waffenwerkzeuge compatible with the Expander.
- Gather all necessary tools and safety equipment.

2. Installation:

- Carefully insert the Expander into the reloading die, ensuring a snug fit.
- Secure the die in your reloading press according to the manufacturer's instructions.
- Doublecheck that the Expander is properly aligned before proceeding.

3. Usage:

- Begin the reloading process by following the specific instructions provided with your reloading die.
- Monitor the Expander during use to ensure it operates smoothly and without obstruction.
- If you notice any unusual sounds or resistance, stop using the Expander immediately and inspect it for issues.

4. PostUse:

- After completing your reloading process, carefully remove the Expander from the die.
- Clean the Expander to remove any debris or residue to maintain its performance.
- Store the Expander in a safe and dry place, away from children and pets.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal waste.
- Do not throw the Expander in regular household trash.
- If the Expander is damaged beyond repair, ensure it is rendered unusable before disposal.

Contact Information for Further Support

For any questions or concerns regarding the Expander Expander 8,54/.3362, please refer to the manufacturer's website or customer service for assistance. It is important to have access to support for any safety inquiries or productrelated issues.

Thank you for prioritizing safety while using the Expander Expander 8,54/.3362. By following these guidelines, you can ensure a safe and effective reloading experience.
