Safety Instruction Guide for Expander Expander 8,55/.3366

Introduction

Thank you for choosing the Expander Expander 8,55/.3366. This product is designed for precision neck expansion and optimal bullet seating, made from highquality hardened steel and precisionground on CNC machines. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this product.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling or operating this product.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- If you encounter any issues or have concerns about the product's safety, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Only use the Expander Expander with compatible reloading dies from Triebel Waffenwerkzeuge.
- Do not exceed the recommended specifications for the product, including the diameter of 8.55 mm.
- Ensure that the product is securely attached to the reloading equipment before use to prevent accidents.
- Avoid using excessive force when expanding the neck of the cartridge to prevent damage to the product and ensure safe operation.
- Store the product in a dry and safe environment to prevent rust and damage.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading die is clean and free from debris.
- Carefully insert the Expander Expander into the reloading die, ensuring it is aligned correctly.
- Tighten the reloading die according to the manufacturer's instructions to secure the Expander Expander in place.

2. Usage:

- Prepare your cartridge cases as per your reloading process.
- Adjust the reloading press to the appropriate settings for neck expansion.
- Slowly and steadily operate the reloading press to expand the neck of the cartridge.
- Inspect the cartridge case after expansion to ensure it meets your specifications.
- After use, remove the Expander Expander from the reloading die and clean it thoroughly to maintain its condition.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not dispose of the product in general waste or recycling bins unless specified as safe to do so.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Expander Expander 8,55/.3366, please refer to the manufacturer's contact information provided in the product packaging or documentation.

By following these safety instructions, you can ensure a safe and effective experience with the Expander Expander 8,55/.3366. Always prioritize safety and responsibility when using reloading equipment. Thank you for your attention to these important guidelines.
