Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander Expander 8,83/.3476. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read all instructions carefully before using the Expander.

General Safety Guidelines

- Always ensure that you are using the Expander in a wellventilated area.
- Keep the Expander out of reach of children and vulnerable individuals.
- Inspect the Expander for any damage before each use. Do not use if damaged.
- Follow all manufacturer instructions and guidelines for safe use.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Ensure that the Expander is securely attached to the reloading die before use.
- Do not exceed the recommended diameter of 8.83 mm for neck expansion.
- Avoid using the Expander with incompatible reloading dies.
- Do not operate the Expander if you are under the influence of drugs or alcohol.
- Keep hands and other body parts clear of moving parts during operation.

Instructions for Installation and Usage

1. Installation

- Ensure that your workspace is clean and wellorganized.
- Attach the Expander to your reloading die by following these steps:
 - Remove any existing components from the reloading die.
 - Align the Expander with the die opening.
 - Securely fasten the Expander in place according to the manufacturer's guidelines.

2. Usage

- Prepare your reloading setup before using the Expander.
- Insert the case into the reloading die and ensure it is properly positioned.
- Operate the reloading press slowly and steadily to allow for precise neck expansion.
- After use, carefully remove the Expander from the die and clean it according to the maintenance instructions.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations.
- Do not dispose of the Expander in household waste.
- Consider recycling options for metal components if applicable.

Contact Information for Further Support

For any questions or concerns regarding the use of the Expander, please refer to the manufacturer's official website or customer service for assistance.

By following these guidelines, you can ensure the safe and effective use of the Expander Expander 8,83/.3476.
Thank you for your attention to safety.
