

Expander ⌀8,95/.3524

Expander (inside expander) made from high-quality hardened steel, precision-ground on CNC machines – for precise neck expansion and optimal bullet seating. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Expander ⌀8,95/.3524
- Manufacturer: TRIEBEL
- Product no.: EU2017288
- Mfr. No.: 3000050V-08.95
- Diameter mm: 8,95
- Delivery weight: 0.005kg
- Shipping height: 10mm
- Shipping width: 15mm
- Shipping length: 15mm
- EAN/UPC: 3000050V-08.95

Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander Expander. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this manual carefully before using the Expander to familiarize yourself with its features and safety precautions.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose, which is neck expansion and bullet seating in reloading processes.
- Always handle the Expander with care to avoid injury. The tool is made from highquality hardened steel and is designed for precision.
- Keep the Expander out of reach of children and vulnerable individuals. It is not a toy and should only be used by knowledgeable adults.
- Regularly inspect the Expander for any signs of wear or damage. Do not use the tool if it is damaged or malfunctioning.
- Store the Expander in a safe and dry place when not in use to prevent accidental injury and to maintain its condition.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) when using the Expander, including safety glasses and gloves.
- Ensure that your workspace is clean and organized to minimize the risk of accidents while using the Expander.
- Do not exceed the recommended specifications for the Expander, including the diameter and pressure limits.
- Avoid using the Expander in wet or damp conditions to reduce the risk of slipping and electrical hazards.
- Be aware of your surroundings and ensure that no one is within reach of the Expander while you are using it.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting the installation.
- Ensure that the reloading die you are using is compatible with the Expander.

2. Installation:

- Carefully follow the instructions provided with your reloading die to install the Expander.
- Securely attach the Expander to the reloading die, ensuring it is firmly in place.

3. Usage:

- Adjust the Expander to the desired position for neck expansion.
- Insert the cartridge case into the reloading die, ensuring it is properly aligned.
- Operate the reloading press to expand the neck of the cartridge case. Monitor the process closely to ensure proper operation.
- After use, carefully remove the cartridge case and inspect it for any defects.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal waste.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged or no longer usable, consider recycling it at a designated metal recycling facility.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Expander, please refer to your local distributor or retailer. They will provide you with necessary support and information.

By following these guidelines, you can ensure a safe and effective experience with your Expander Expander. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
