Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander Expander. This guide provides important safety instructions and usage guidelines to ensure your safety and the optimal performance of the product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the Expander is used only for its intended purpose, which is for neck expansion and bullet seating in reloading applications.
- Always follow the manufacturer's instructions when using the Expander.
- Keep the Expander out of reach of children and vulnerable individuals.
- Inspect the Expander before each use for any signs of damage or wear. Do not use if damaged.
- Store the Expander in a dry, safe place when not in use to prevent accidents.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the Expander.
- Use the Expander only with compatible reloading dies, specifically those from Triebel Waffenwerkzeuge.
- Do not exceed the specified diameter (8.99 mm) when using the Expander.
- Avoid using excessive force during operation to prevent injury and damage to the product.
- Be aware of your surroundings and ensure that the workspace is clear of any hazards.

Instructions for Installation and Usage

Installation

1. Ensure that your work area is clean and welllit.
2. Check that you have all necessary tools and equipment before beginning installation.
3. Secure the Expander in the appropriate reloading die from Triebel Waffenwerkzeuge.
4. Follow the specific instructions provided with your reloading die for proper installation of the Expander.

Usage

1. Before using the Expander, doublecheck that it is properly installed and secure.
2. Prepare your reloading materials according to standard reloading practices.
3. Carefully perform the neck expansion and bullet seating, ensuring that you apply consistent and moderate pressure.
4. After use, clean the Expander to remove any residue and store it properly.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations regarding metal products.
- Do not dispose of the Expander in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any safety inquiries or support, please refer to the manufacturer's contact details provided with your product packaging. You can also check for updates on product recalls through the EU's Safety Gate platform.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the

Expander Expander. Thank you for your attention to safety.
