Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This product is designed for precise neck expansion and optimal bullet seating, ensuring a reliable reloading experience. Please read this safety instruction guide carefully to ensure safe and effective use of the Expander in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the Expander as intended and in accordance with these instructions.
- Ensure the product is suitable for your specific reloading dies, particularly those from Triebel Waffenwerkzeuge.
- Regularly inspect the Expander for any signs of wear or damage before use.
- Store the Expander in a dry and secure location, away from children and pets.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Expander.
- Keep hands and fingers clear of moving parts during operation to avoid injury.
- Ensure that the work area is clean and free from distractions while using the Expander.
- Do not exceed the recommended specifications for the Expander, including the diameter of 9.03 mm.
- If you are inexperienced or unsure about using the Expander, seek assistance from a qualified individual.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Insert the Expander into the appropriate die as per the manufacturer's instructions.
- Tighten the die securely to prevent movement during use.

2. Usage:

- Before starting, doublecheck that all components are correctly installed and secure.
- Adjust the Expander to the desired depth for neck expansion, ensuring it is set to the specifications of your reloading process.
- Operate the reloading press slowly and steadily, allowing the Expander to perform its function without forcing it.
- After use, remove the Expander and clean it thoroughly to maintain its performance and longevity.

Disposal Instructions

- Dispose of the Expander according to local regulations for metal products.
- Do not dispose of the Expander in regular household waste.
- If the Expander is damaged beyond repair, consider recycling the material at a designated facility.

Contact Information for Further Support

For any inquiries or concerns regarding the Expander, please reach out to your local retailer or the manufacturer

directly. Always ensure you have the product details ready for a more efficient response.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Expander. Always prioritize safety and compliance with regulations while enjoying your reloading activities. Thank you for choosing our product!
