Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander Expander 9,05/.3563. This product is designed for precise neck expansion and optimal bullet seating in reloading applications. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this instruction manual.

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this product.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling and using the Expander.
- Keep the product out of reach of children and unauthorized users.
- Inspect the Expander for any damage or wear before each use. Do not use if damaged.
- Follow all local laws and regulations regarding the use and storage of reloading equipment and materials.
- Report any unsafe products or incidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the Expander is compatible with your reloading dies, specifically those from Triebel Waffenwerkzeuge.
- Use the Expander only for its intended purpose: neck expansion and bullet seating in reloading processes.
- Avoid excessive force during operation to prevent injury or damage to the Expander.
- Do not modify or alter the Expander in any way, as this may compromise safety and performance.
- Maintain a clean and organized workspace to minimize the risk of accidents.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is securely mounted and stable.
- Install the Expander into the reloading die according to the manufacturer's instructions.
- Tighten the Expander securely, ensuring it is properly aligned with the die.

2. Usage

- Before starting your reloading process, doublecheck that all components are securely in place.
- Load the appropriate cartridge case into the reloading press.
- Gradually operate the press, allowing the Expander to perform neck expansion.
- Monitor the process closely to ensure consistent results and safe operation.
- After use, clean the Expander to remove any debris or residue.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal recycling.
- Do not dispose of the product in regular household waste.
- If the Expander is damaged beyond use, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Expander, please contact the manufacturer or your local distributor for assistance. Ensure you have the product details available for reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
