

Expander ⌀9,07/.3571

Expander (inside expander) made from high-quality hardened steel, precision-ground on CNC machines – for precise neck expansion and optimal bullet seating. Suitable for original reloading dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Expander ⌀9,07/.3571
- Manufacturer: TRIEBEL
- Product no.: EU2017294
- Mfr. No.: 3000050V-09.07
- Diameter mm: 9,07
- Delivery weight: 0.005kg
- Shipping height: 10mm
- Shipping width: 15mm
- Shipping length: 15mm
- EAN/UPC: 3000050V-09.07

Expander Safety Instruction Guide

Introduction

Thank you for choosing the Expander made from highquality hardened steel. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the Expander.

General Safety Guidelines

- Ensure that the Expander is used in accordance with the manufacturer's instructions.
- Always inspect the Expander for any signs of damage or wear before use.
- Keep the Expander out of reach of children and vulnerable individuals.
- Use the Expander only for its intended purpose as described in this guide.
- If you experience any issues or concerns while using the Expander, stop using it immediately and seek assistance.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, while using the Expander.
- Ensure that the work area is clean, welllit, and free from any obstructions.
- Do not place your fingers or any body parts near moving parts of the machine during use.
- Avoid using the Expander if you are tired, distracted, or under the influence of substances that may impair your judgment.
- Follow proper handling and storage procedures to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure that the work surface is stable and secure.
- Attach the Expander to the compatible reloading die according to the manufacturer's specifications.
- Tighten all connections securely to prevent any movement during use.

2. Usage:

- Before starting, ensure that the Expander is correctly aligned with the reloading die.
- Gradually apply pressure when expanding the neck of the casing to achieve the desired result.
- Monitor the process closely to prevent overexpansion or any damage to the casing.
- After use, clean the Expander to remove any debris or residue.

Disposal Instructions

- Dispose of the Expander in accordance with local regulations for metal products.
- Recycle the Expander if possible, as it is made of highquality hardened steel.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of the Expander, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety. Always stay informed about product recalls and safety alerts through the EU's

Safety Gate platform. Your safety is our priority.
